

DEVEX 2009

6th European Production & Development Conference on Subsurface Techniques for Maximising Recovery

Tuesday 12th – Wednesday 13th May 2009
Aberdeen Exhibition & Conference Centre

DEVEX FIELDTRIP & DINNER

£75_{+VAT}

Aerial view Dunnotar Castle, Stonehaven: www.scotthaefer.com

• **Stonehaven – Field Trip & Dinner** ends the conference on Thursday evening. Pete Hill, a geophysicist with ConocoPhillips, will lead a trip South of the Highland boundary fault into the northern part of the Midland Valley to view the conglomerates and sandstones of the Lower Old Red Sandstone (ORS) sections exposed at Stonehaven and Dunnotar. The field trip will conclude with dinner at the excellent **Tollbooth Restaurant** on the harbour side.

Places are limited, awarded on a first come first served basis. A coach will transport delegates from AECC to Stonehaven and back to central Aberdeen (late).

Please note all attendees must be current members of PESGB in order to be covered under the Society's field trip insurance policy. Membership fee £25 per annum. This fee will be added to the cost for any non-members of PESGB attending, and includes one year's PESGB membership.

PES GB

DEVEX 2009 is a joint PESGB, DECC, AFES & SPE, conference.
